The fact that any person engages in or performs, or offers to engage in or perform, any of the practices, acts, or operations set forth in this Section, shall be prima facie evidence that such person is engaged in the practice of dentistry.

The following practices, acts, and operations, however, are exempt from the operation of this Act:

(a) The rendering of dental relief in emergency cases in the practice of his or her profession by a physician or surgeon, licensed as such under the laws of this State, unless he or she undertakes to reproduce or reproduces lost parts of the human teeth in the mouth or to restore or replace lost or missing teeth in the mouth; or

In addition to coronal polishing and pit and fissure sealants as described in this item (7), a dental assistant who has successfully completed a training program approved by rule by the Department may perform: (A) coronal scaling above the gum line on the clinical crown of the tooth only on patients 12 years of age or younger in the absence of periodontal disease and (B) intracoronal temporization of a tooth. (iii) the application to the surfaces of the teeth or gums of chemical compounds designed to be desensitizing agents or effective agents in the prevention of dental caries or periodontal disease;

(v) administration and monitoring of nitrous oxide upon successful completion of a training program approved by the Department;

(vi) administration of local anesthetics upon successful completion of a training program approved by the Department; and

(c) When employed or engaged in the office of a dentist, a dental hygienist may perform, under general supervision, those procedures found in items (i) through (iv) of subsection (a) of this Section, provided the patient has been examined by the dentist within one year of the provision of dental hygiene services, the dentist has approved the dental hygiene services by a notation in the patient's record and the patient has been notified that the dentist may be out of the office during the provision of dental hygiene services.

(d) If a patient of record is unable to travel to a dental office because of illness, infirmity, or imprisonment, a dental hygienist may perform, under the general supervision of a dentist, those procedures found in items (i) through (iv) of subsection (a) of this Section, provided the patient is located in a long-term care facility licensed by the State of Illinois, a mental health or developmental disability facility, or a State or federal prison. The dentist shall personally examine and diagnose the patient and determine which services are necessary to be performed, which shall be contained in an order to the hygienist and a notation in the patient's record. Such order must be implemented within 120 days of its issuance, and an updated medical history and observation of oral conditions must be performed by the hygienist immediately prior to beginning the procedures to ensure that the patient's health has not changed in any manner to warrant a reexamination by the dentist.

(e) School-based oral health care, consisting of and limited to oral prophylactic procedures, sealants, and fluoride treatments, may be provided by a dental hygienist under the general supervision of a dentist. A dental hygienist may not provide other dental hygiene treatment in a school-based setting, including but not limited to administration or monitoring of nitrous oxide or administration of local anesthetics. The school-based procedures may be performed provided the patient is located at a public or private school and the program is being conducted by a State, county or local public health department initiative or in conjunction with a dental school or dental hygiene program. The public health dental hygienist may not administer local anesthesia or nitrous oxide, or place, carve, or finish amalgam restorations or provide periodontal therapy under this exception. Each patient must sign a consent form that acknowledges that the care received does not take the place of a regular dental examination. The public health dental hygienist must provide the patient or guardian a written referral to a dentist for assessment of the need for further dental care at the time of treatment. Any indication or observation of a condition that could warrant the need for urgent attention must be reported immediately to the supervising dentist for appropriate assessment and treatment.

(5) include procedures for creating and maintaining dental records, including protocols for transmission of all records between the public health dental hygienist and the dentist following each treatment, which shall include a notation regarding procedures authorized by the dentist and performed by the public health dental hygienist and the location where those records are to be kept.

Each dentist and hygienist who enters into a public health supervision agreement must document and maintain a copy of any change or termination of that agreement.

Dental records shall be owned and maintained by the supervising dentist for all patients treated under public health supervision, unless the supervising dentist is an employee of a public health clinic or federally qualified health center, in which case the public health clinic or federally qualified health center shall maintain the records.

If a dentist ceases to be employed or contracted by the facility, the dentist shall notify the facility administrator that the public health supervision agreement is no longer in effect. A new public health supervision agreement is required for the public health dental hygienist to continue treating patients under public health supervision.

A dentist entering into an agreement under this Section may supervise and enter into agreements for public health supervision with 2 public health dental hygienists. This shall be in addition to the limit of 4 dental hygienists per dentist set forth in subsection (g) of Section 18 of this Act.

Any patient treated under this subsection (b) must be examined by a dentist before additional services can be provided by a public health dental hygienist.

(c) A public health dental hygienist providing services under public health supervision must:

(1) provide to the patient, parent, or guardian a written plan for referral or an agreement for follow-up that records all conditions observed that should be called to the attention of a dentist for proper diagnosis;

(2) have each patient sign a permission slip or consent form that informs them that the service to be received does not take the place of regular dental checkups at a dental office and is meant for people who otherwise would not have access to the service;

(3) inform each patient who may require further dental services of that need;

(4) maintain an appropriate level of contact and communication with the dentist providing public health supervision; and

(5) complete an additional 4 hours of continuing education in areas specific to public health dentistry yearly.

(d) Each public health dental hygienist who has rendered services under subsections (c), (d), and (e) of this Section must complete a summary report at the completion of a program or, in the case of an ongoing program, at least annually. The report must be completed in the manner specified by the Division of Oral Health in the Department of Public Health including information about each location where the public health dental hygienist has rendered these services. The public health dental hygienist must submit the form to the dentist providing supervision for his or her signature before sending it to the Division.

(e) Public health dental hygienists providing services under public health supervision may be compensated for their work by salary, honoraria, and other mechanisms by the employing or sponsoring entity. Nothing in this Act shall preclude the entity that employs or sponsors a public health dental hygienist from seeking payment, reimbursement, or other source of funding for the services provided.

(f) This Section is repealed on January 1, 2021.

(1) that the dentist or dental hygienist is the subject of a complaint;

(2) that the dentist or dental hygienist need not immediately proceed with the interview and may seek appropriate consultation prior to consenting to the interview; and

(3) that failure of the dentist or dental hygienist to proceed with the interview shall not prohibit the Department from conducting a visual inspection of the facility.

A Department investigator's failure to comply with this subsection may not be the sole ground for dismissal of any order of the Department filed upon a finding of a violation or for dismissal of a pending investigation.

(b-5) The duly authorized dental investigators of the Department shall have the right to enter and inspect, during business hours, the business premises of a dentist licensed under this Act or of a person who holds himself or herself out as practicing dentistry, with due consideration for patient care of the subject of the investigation, so as to inspect the physical premises and equipment and furnishings therein. This right of inspection shall not include inspection of business, medical, or personnel records located on the premises without a Department subpoena issued in accordance with Section 25.1 of this Act or Section 2105-105 of the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. For the purposes of this Section, "business premises" means the office or offices where the dentist conducts the practice of dentistry.

(c) If the Department concludes on the basis of a complaint or its initial investigation that there is a possible violation of the Act, the Department may:

(1) schedule a hearing pursuant to this Act; or

(2) request in writing that the dentist or dental hygienist being investigated attend an informal conference with representatives of the Department.

The request for an informal conference shall contain the nature of the alleged actions or inactions that constitute the possible violations.

A dentist or dental hygienist shall be allowed to have legal counsel at the informal conference. If the informal conference results in a consent order between the accused dentist or dental hygienist and the Department, the consent order must be approved by the Secretary. However, if the consent order would result in a fine exceeding \$10,000 or the suspension or revocation of the dentist or dental hygienist license, the consent order must be approved by the Board and the Secretary. Participation in the informal conference by a dentist, a dental hygienist, or the Department and any admissions or stipulations made by a dentist, a dental hygienist, or the Department at the informal conference, including any agreements in a

consent order that is subsequently disapproved by either the Board or the Secretary, shall not be used against the dentist, dental hygienist, or Department at any subsequent hearing and shall not become a part of the record of the hearing.

(d) The Secretary shall, before suspending, revoking, placing on probationary status, or taking any other disciplinary action as the Secretary may deem proper with regard to any license, at least 30 days prior to the date set for the hearing, notify the respondent in writing of any charges made and the time and place for a hearing of the charges before the Board, direct him or her to file his or her written answer thereto to the Board under oath within 20 days after the service on him or her of such notice and inform him or her that if he or she fails to file such answer default will be taken against him or her and his or her license may be suspended, revoked, placed on probationary status, or other disciplinary action may be taken with regard thereto, including limiting the scope, nature or extent of his or her practice, as the Secretary may deem proper.

(e) Such written notice and any notice in such proceedings thereafter may be served by delivery personally to the respondent, or by registered or certified mail to the address last theretofore specified by the respondent in his or her last notification to the Secretary.

(Section scheduled to be repealed on January 1, 2016)

#### Sec. 26. Disciplinary actions.

(a) In case the respondent, after receiving notice, fails to file an answer, his or her license may, in the discretion of the Secretary, having first received the recommendation of the Board, be suspended, revoked, placed on probationary status, or the Secretary may take whatever disciplinary or non-disciplinary action he or she may deem proper, including limiting the scope, nature, or extent of the person's practice or the imposition of a fine, without a hearing, if the act or acts charged constitute sufficient grounds for such action under this Act.

(b) The Secretary may temporarily suspend the license of a dentist or dental hygienist without a hearing, simultaneous to the institution of proceedings for a hearing under this Act, if the Secretary finds that evidence in his or her possession indicates that a dentist's or dental hygienist's continuation in practice would constitute an immediate danger to the public. In the event that the Secretary temporarily suspends the license of a dentist or a dental hygienist without a hearing, a hearing by the Board must be held within 15 days after such suspension has occurred.

(c) The entry of a judgment by any circuit court establishing that any person holding a license under this Act is a person subject to involuntary admission under the Mental Health and Developmental Disabilities Code shall operate as a suspension of that license. That person may resume his or her practice only upon a finding by the Board that he or she has been determined to be no longer subject to involuntary admission by the court and upon the Board's recommendation to the Secretary that he or she be permitted to resume his or her practice.

Sec. 29. Recommendations for disciplinary action - Action by Secretary. The Board may advise the Secretary that probation be granted or that other disciplinary action, including the limitation of the scope, nature or extent of a person's practice, be taken, as it deems proper. If disciplinary action other than suspension or revocation is taken, the Board may advise that the Secretary impose reasonable limitations and requirements upon the respondent to insure compliance with the terms of the probation or other disciplinary action, including, but not limited to, regular reporting by the respondent to the Secretary of his or her actions, or the respondent's placing himself or herself under the care of a qualified physician for treatment or limiting his or her practice in such manner as the Secretary may require.

The Board shall present to the Secretary a written report of its findings and recommendations. A copy of such report shall be served upon the respondent, either personally or by registered or certified mail. Within 20 days after such service, the respondent may present to the Department his or her motion in writing for a rehearing, specifying the particular ground therefor. If the respondent orders from the reporting service and pays for a transcript of the record, the time elapsing thereafter and before such transcript is ready for delivery to him or her shall not be counted as part of such 20 days.

At the expiration of the time allowed for filing a motion for rehearing the Secretary may take the action recommended by the Board. Upon suspension, revocation, placement on probationary status, or the taking of any other disciplinary action, including the limiting of the scope, nature, or extent of one's practice, deemed proper by the Secretary, with regard to the license, the respondent shall surrender his or her license

to the Department, if ordered to do so by the Department, and upon his or her failure or refusal to do so, the Department may seize the same.

In all instances under this Act in which the Board has rendered a recommendation to the Secretary with respect to a particular person, the Secretary shall, to the extent that he or she disagrees with or takes action contrary to the recommendation of the Board, file with the Board his or her specific written reasons of disagreement. Such reasons shall be filed within 30 days after the Secretary has taken the contrary position.

Each order of revocation, suspension, or other disciplinary action shall contain a brief, concise statement of the ground or grounds upon which the Department's action is based, as well as the specific terms and conditions of such action. The original of this document shall be retained as a permanent record by the Board and the Department. In those instances where an order of revocation, suspension, or other disciplinary action has been rendered by virtue of a dentist's or dental hygienist's physical illness, including, but not limited to, deterioration through the aging process, or loss of motor skill which results in an inability to practice with reasonable judgment, skill, or safety, the Department shall permit only this document and the record of the hearing incident thereto to be observed, inspected, viewed, or copied pursuant to court order.

The hearing officer shall have full authority to conduct the hearing. The hearing officer shall report his or her findings and recommendations to the Board and the Secretary. The Board shall have 60 days from receipt of the report to review the report of the hearing officer and present its findings of fact, conclusions of law and recommendations to the Secretary. If the Board fails to present its report within the 60 day period, the Secretary shall issue an order based on the report of the hearing officer. ~~If the Secretary determines that the Board's report is contrary to the manifest weight of the evidence, he or she may issue an order in contravention of the Board's report.~~

Whenever the Secretary is satisfied that substantial justice has not been done in a formal disciplinary action or refusal to restore a license, he or she may order a reexamination or rehearing by the same or other hearing officer.

established by business entities locating or expanding property within the territorial jurisdiction of the Authority, for entering into venture capital agreements with businesses locating or expanding within the territorial jurisdiction of the Authority, for acquiring and improving any property necessary and useful in connection therewith and for the purposes of the Employee Ownership Assistance Act. For the purpose of evidencing the obligations of the Authority to repay any money borrowed, the Authority may, pursuant to resolution, from time to time issue and dispose of its interest bearing revenue bonds, notes or other evidences of indebtedness and may also from time to time issue and dispose of such bonds, notes or other evidences of indebtedness to refund, at maturity, at a redemption date or in advance of either, any bonds, notes or other evidences of indebtedness pursuant to redemption provisions or at any time before maturity. All such bonds, notes or other evidences of indebtedness shall be payable solely and only from the revenues or income to be derived from loans made with respect to projects, from the leasing or sale of the projects or from any other funds available to the Authority for such purposes. The bonds, notes or other evidences of indebtedness may bear such date or dates, may mature at such time or times not exceeding 40 years from their respective dates, may bear interest at such rate or rates not exceeding the maximum rate permitted by "An Act to authorize public corporations to issue bonds, other evidences of indebtedness and tax anticipation warrants subject to interest rate limitations set forth therein", approved May 26, 1970, as amended, may be in such form, may carry such registration privileges, may be executed in such manner, may be payable at such place or places, may be made subject to redemption in such manner and upon such terms, with or without premium as is stated on the face thereof, may be authenticated in such manner and may contain such terms and covenants as may be provided by an applicable resolution.

(b-2) If the Authority fails to pay the principal of or interest on any of the bonds or premium, if any, as the same become due, a civil action to compel payment may be instituted in the appropriate circuit court by the holder or holders of the bonds on which such default of payment exists or by an indenture trustee acting on behalf of such holders. Delivery of a summons and a copy of the complaint to the Chairman of the Board shall constitute sufficient service to give the circuit court jurisdiction of the subject matter of such a suit and jurisdiction over the Authority and its officers named as defendants for the purpose of compelling such payment. Any case, controversy or cause of action concerning the validity of this Act relates to the revenue of the State of Illinois.

(c) Notwithstanding the form and tenor of any such bonds, notes or other evidences of indebtedness and in the absence of any express recital on the face thereof that it is non-negotiable, all such bonds, notes and other evidences of indebtedness shall be negotiable instruments. Pending the preparation and execution of any such bonds, notes or other evidences of indebtedness, temporary bonds, notes or evidences of indebtedness may be issued as provided by ordinance.

(d) To secure the payment of any or all of such bonds, notes or other evidences of indebtedness, the revenues to be received by the Authority from a lease agreement or loan agreement shall be pledged, and, for the purpose of setting forth the covenants and undertakings of the Authority in connection with the issuance thereof and the issuance of any additional bonds, notes or other evidences of indebtedness payable from such revenues, income or other funds to be derived from projects, the Authority may execute and deliver a mortgage or trust agreement. A remedy for any breach or default of the terms of any such mortgage or trust agreement by the Authority may be by mandamus proceedings in the appropriate circuit court to compel the performance and compliance therewith, but the trust agreement may prescribe by whom or on whose behalf such action may be instituted.

(e) Such bonds or notes shall be secured as provided in the authorizing ordinance which may, notwithstanding any other provision of this Act, include in addition to any other security a specific pledge or assignment of and lien on or security interest in any or all revenues or money of the Authority from whatever source which may by law be used for debt service purposes and a specific pledge or assignment of and lien on or security interest in any funds or accounts established or provided for by ordinance of the Authority authorizing the issuance of such bonds or notes.

(f) ~~(Blank). In the event that the Authority determines that monies of the Authority will not be sufficient for the payment of the principal of and interest on its bonds during the next State fiscal year, the Chairman, as soon as practicable, shall certify to the Governor the amount required by the Authority to enable it to~~

pay such principal of and interest on the bonds. The Governor shall submit the amount so certified to the General Assembly as soon as practicable, but no later than the end of the current State fiscal year. This Section shall not apply to any bonds or notes as to which the Authority shall have determined, in the resolution authorizing the issuance of the bonds or notes, that this Section shall not apply. Whenever the Authority makes such a determination, that fact shall be plainly stated on the face of the bonds or notes and that fact shall also be reported to the Governor.

In the event of a withdrawal of moneys from a reserve fund established with respect to any issue or issues of bonds of the Authority to pay principal or interest on those bonds, the Chairman of the Authority, as soon as practicable, shall certify to the Governor the amount required to restore the reserve fund to the level required in the resolution or indenture securing those bonds. The Governor shall submit the amount so certified to the General Assembly as soon as practicable, but no later than the end of the current State fiscal year. This subsection (f) shall not apply to any bond issued on or after the effective date of this amendatory Act of the 97th General Assembly.

(g) The State of Illinois pledges to and agrees with the holders of the bonds and notes of the Authority issued pursuant to this Section that the State will not limit or alter the rights and powers vested in the Authority by this Act so as to impair the terms of any contract made by the Authority with such holders or in any way impair the rights and remedies of such holders until such bonds and notes, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of such holders, are fully met and discharged. In addition, the State pledges to and agrees with the holders of the bonds and notes of the Authority issued pursuant to this Section that the State will not limit or alter the basis on which State funds are to be paid to the Authority as provided in this Act, or the use of such funds, so as to impair the terms of any such contract. The Authority is authorized to include these pledges and agreements of the State in any contract with the holders of bonds or notes issued pursuant to this Section.

(820 ILCS 405/401) (from Ch. 48, par. 401)

Sec. 401. Weekly Benefit Amount - Dependents' Allowances.

A. With respect to any week beginning in a benefit year beginning prior to January 4, 2004, an individual's weekly benefit amount shall be an amount equal to the weekly benefit amount as defined in the provisions of this Act as amended and in effect on November 18, 2011.

B. 1. With respect to any benefit year beginning on or after January 4, 2004 and before January 6, 2008, an individual's weekly benefit amount shall be 48% of his or her prior average weekly wage, rounded (if not already a multiple of one dollar) to the next higher dollar; provided, however, that the weekly benefit amount cannot exceed the maximum weekly benefit amount and cannot be less than \$51. Except as otherwise provided in this Section, with respect to any benefit year beginning on or after January 6, 2008, an individual's weekly benefit amount shall be 47% of his or her prior average weekly wage, rounded (if not already a multiple of one dollar) to the next higher dollar; provided, however, that the weekly benefit amount cannot exceed the maximum weekly benefit amount and cannot be less than \$51. ~~With respect to any benefit year beginning in calendar year 2016, an individual's weekly benefit amount shall be 42.8% of his or her prior average weekly wage, rounded (if not already a multiple of one dollar) to the next higher dollar; provided, however, that the weekly benefit amount cannot exceed the maximum weekly benefit amount and cannot be less than \$51.~~ With respect to any benefit year beginning in calendar year 2018, an individual's weekly benefit amount shall be 42.9% of his or her prior average weekly wage, rounded (if not already a multiple of one dollar) to the next higher dollar; provided, however, that the weekly benefit amount cannot exceed the maximum weekly benefit amount and cannot be less than \$51.

2. For the purposes of this subsection:

An individual's "prior average weekly wage" means the total wages for insured work paid to that individual during the 2 calendar quarters of his base period in which such total wages were highest, divided by 26. If the quotient is not already a multiple of one dollar, it shall be rounded to the nearest dollar; however if the quotient is equally near 2 multiples of one dollar, it shall be rounded to the higher multiple of one dollar.

"Determination date" means June 1 and December 1 of each calendar year except that, for the purposes of this Act only, there shall be no June 1 determination date in any year.

"Determination period" means, with respect to each June 1 determination date, the 12 consecutive calendar months ending on the immediately preceding December 31 and, with respect to each December 1 determination date, the 12 consecutive calendar months ending on the immediately preceding June 30.

"Benefit period" means the 12 consecutive calendar month period beginning on the first day of the first calendar month immediately following a determination date, except that, with respect to any calendar year

"Gross wages" means all the wages paid to individuals during the determination period immediately preceding a determination date for insured work, and reported to the Director by employers prior to the first day of the third calendar month preceding that date.

"Covered employment" for any calendar month means the total number of individuals, as determined by the Director, engaged in insured work at mid-month.

"Average monthly covered employment" means one-twelfth of the sum of the covered employment for the 12 months of a determination period.

"Statewide average annual wage" means the quotient, obtained by dividing gross wages by average monthly covered employment for the same determination period, rounded (if not already a multiple of one cent) to the nearest cent.

"Statewide average weekly wage" means the quotient, obtained by dividing the statewide average annual wage by 52, rounded (if not already a multiple of one cent) to the nearest cent. Notwithstanding any provision of this Section to the contrary, the statewide average weekly wage for any benefit period prior to calendar year 2012 shall be as determined by the provisions of this Act as amended and in effect on November 18, 2011. Notwithstanding any provisions of this Section to the contrary, the statewide average weekly wage for the benefit period of calendar year 2012 shall be \$856.55 and for each calendar year thereafter, the statewide average weekly wage shall be the statewide average weekly wage, as determined in accordance with this sentence, for the immediately preceding benefit period plus (or minus) an amount equal to the percentage change in the statewide average weekly wage, as computed in accordance with the first sentence of this paragraph, between the 2 immediately preceding benefit periods, multiplied by the statewide average weekly wage, as determined in accordance with this sentence, for the immediately preceding benefit period. However, for purposes of the Workers' Compensation Act, the statewide average weekly wage will be computed using June 1 and December 1 determination dates of each calendar year and such determination shall not be subject to the limitation of the statewide average weekly wage as computed in accordance with the preceding sentence of this paragraph.

With respect to any week beginning in a benefit year beginning prior to January 4, 2004, "maximum weekly benefit amount" with respect to each week beginning within a benefit period shall be as defined in the provisions of this Act as amended and in effect on November 18, 2011.

With respect to any benefit year beginning on or after January 4, 2004 and before January 6, 2008, "maximum weekly benefit amount" with respect to each week beginning within a benefit period means 48% of the statewide average weekly wage, rounded (if not already a multiple of one dollar) to the next higher dollar.

Except as otherwise provided in this Section, with respect to any benefit year beginning on or after January 6, 2008, "maximum weekly benefit amount" with respect to each week beginning within a benefit period means 47% of the statewide average weekly wage, rounded (if not already a multiple of one dollar) to the next higher dollar.

~~With respect to any benefit year beginning in calendar year 2016, "maximum weekly benefit amount" with respect to each week beginning within a benefit period means 42.8% of the statewide average weekly wage, rounded (if not already a multiple of one dollar) to the next higher dollar.~~

With respect to any benefit year beginning in calendar year 2018, "maximum weekly benefit amount" with respect to each week beginning within a benefit period means 42.9% of the statewide average weekly wage, rounded (if not already a multiple of one dollar) to the next higher dollar.

With respect to each benefit year beginning after calendar year 2012, the dependent child allowance rate shall be the sum of the allowance adjustment applicable pursuant to Section 1400.1 to the calendar

year in which the benefit year begins, plus the dependent child allowance rate with respect to each benefit year beginning in the immediately preceding calendar year, except as otherwise provided in this subsection. The dependent child allowance rate with respect to each benefit year beginning in calendar year 2010 shall be 17.9%. The dependent child allowance rate with respect to each benefit year beginning in calendar year 2011 shall be 17.4%. The dependent child allowance rate with respect to each benefit year beginning in calendar year 2012 shall be 17.0% and, with respect to each benefit year beginning after calendar year 2012, shall not be less than 17.0% or greater than 17.9%.

For the purposes of this subsection:

Sec. 602. Discharge for misconduct - Felony. A. An individual shall be ineligible for benefits for the week in which he has been discharged for misconduct connected with his work and, thereafter, until he

[November 10, 2015]

has become reemployed and has had earnings equal to or in excess of his current weekly benefit amount in each of four calendar weeks which are either for services in employment, or have been or will be reported pursuant to the provisions of the Federal Insurance Contributions Act by each employing unit for which such services are performed and which submits a statement certifying to that fact. The requalification requirements of the preceding sentence shall be deemed to have been satisfied, as of the date of reinstatement, if, subsequent to his discharge by an employing unit for misconduct connected with his work, such individual is reinstated by such employing unit. For purposes of this subsection, the term "misconduct" means the deliberate and willful violation of a reasonable rule or policy of the employing unit, governing the individual's behavior in performance of his work, provided such violation has harmed the employing unit or other employees or has been repeated by the individual despite a warning or other explicit instruction from the employing unit. The previous definition notwithstanding, "misconduct" shall include any of the following work-related circumstances:

1. Falsification of an employment application, or any other documentation provided to the employer, to obtain employment through subterfuge.

2. Failure to maintain licenses, registrations, and certifications reasonably required by the employer, or those that the individual is required to possess by law, to perform his or her regular job duties, unless the failure is not within the control of the individual.

3. Knowing, repeated violation of the attendance policies of the employer that are in compliance with State and federal law following a written warning for an attendance violation, unless the individual can demonstrate that he or she has made a reasonable effort to remedy the reason or reasons for the violations or that the reason or reasons for the violations were out of the individual's control. Attendance policies of the employer shall be reasonable and provided to the individual in writing, electronically, or via posting in the workplace.

4. Damaging the employer's property through conduct that is grossly negligent.

5. Refusal to obey an employer's reasonable and lawful instruction, unless the refusal is due to the lack of ability, skills, or training for the individual required to obey the instruction or the instruction would result in an unsafe act.

6. Consuming alcohol or illegal or non-prescribed prescription drugs, or using an impairing substance in an off-label manner, on the employer's premises during working hours in violation of the employer's policies.

7. Reporting to work under the influence of alcohol, illegal or non-prescribed prescription drugs, or an impairing substance used in an off-label manner in violation of the employer's policies, unless the individual is compelled to report to work by the employer outside of scheduled and on-call working hours and informs the employer that he or she is under the influence of alcohol, illegal or non-prescribed prescription drugs, or an impairing substance used in an off-label manner in violation of the employer's policies.

8. Grossly negligent conduct endangering the safety of the individual or co-workers.

For purposes of paragraphs 4 and 8, conduct is "grossly negligent" when the individual is, or reasonably should be, aware of a substantial risk that the conduct will result in the harm sought to be prevented and the conduct constitutes a substantial deviation from the standard of care a reasonable person would exercise in the situation.

Nothing in paragraph 6 or 7 prohibits the lawful use of over-the-counter drug products as defined in Section 206 of the Illinois Controlled Substances Act, provided that the medication does not affect the safe performance of the employee's work duties.

B. Notwithstanding any other provision of this Act, no benefit rights shall accrue to any individual based upon wages from any employer for service rendered prior to the day upon which such individual was discharged because of the commission of a felony in connection with his work, or because of theft in connection with his work, for which the employer was in no way responsible; provided, that the employer notified the Director of such possible ineligibility within the time limits specified by regulations of the Director, and that the individual has admitted his commission of the felony or theft to a representative of the Director, or has signed a written admission of such act and such written admission has been presented to a representative of the Director, or such act has resulted in a conviction or order of supervision by a court of competent jurisdiction; and provided further, that if by reason of such act, he is in legal custody, held on bail or is a fugitive from justice, the determination of his benefit rights shall be held in abeyance pending the result of any legal proceedings arising therefrom.

(820 ILCS 405/611) (from Ch. 48, par. 441)

Sec. 611. Retirement pay. A. For the purposes of this Section "disqualifying income" means:

1. The entire amount which an individual has received or will receive with respect to a week in the form of a retirement payment (a) from an individual or organization (i) for which he performed services during his base period or which is liable for benefit charges or payments in lieu of contributions as a result of the payment of benefits to such individual and (ii) which pays all of the cost of such retirement payment, or (b) from a trust, annuity or insurance fund or under an annuity or insurance contract, to or under which an individual or organization for which he performed services during his base period or which is liable for benefit charges or payments in lieu of contributions as a result of the payment of benefits to such individual pays or has paid all of the premiums or contributions; and

2. One-half the amount which an individual has received or will receive with respect to a week in the form of a retirement payment (a) from an individual or organization (i) for which he performed services during his base period or which is liable for benefit charges or payments in lieu of contributions as a result of the payment of benefits to such individual and (ii) which pays some, but not all, of the cost of such retirement payment, or (b) from a trust, annuity or insurance fund ~~(including primary social security old age and disability retirement benefits, including those based on self-employment)~~ or under an annuity or insurance contract, to or under which an individual or organization for which he performed services during his base period or which is liable for benefit charges or payments in lieu of contributions as a result of the payment of benefits to such individual pays or has paid some, but not all, of the premiums or contributions.

3. Notwithstanding ~~paragraphs~~ paragraph 1 and 2 above, the entire amount which an individual has received or will receive, with respect to any week which begins after March 31, 1980, of any governmental or other pension, retirement, or retired pay, annuity or any other similar periodic payment which is based on any previous work of such individual during his base period or which is liable for benefit charges or payments in lieu of contributions as a result of the payment of benefits to such individual. This paragraph shall be in effect only if it is required as a condition for full tax credit against the tax imposed by the Federal Unemployment Tax Act.

4. Notwithstanding paragraphs 1, 2, and 3 above, none of the amount that an individual has received or will receive with respect to a week in the form of social security old age, survivors, and disability benefits under 42 U.S.C. Section 401 et seq., including those based on self-employment, shall constitute disqualifying income.

B. Whenever an individual has received or will receive a retirement payment for a month, an amount shall be deemed to have been paid him for each day equal to one-thirtieth of such retirement payment. If the retirement payment is for a half-month, an amount shall be deemed to have been paid the individual for each day equal to one-fifteenth of such retirement payment. If the retirement payment is for any other period, an amount shall be deemed to have been paid the individual for each day in such period equal to the retirement payment divided by the number of days in the period.

C. An individual shall be ineligible for benefits for any week with respect to which his disqualifying income equals or exceeds his weekly benefit amount. If such disqualifying income with respect to a week totals less than the benefits for which he would otherwise be eligible under this Act, he shall be paid, with respect to such week, benefits reduced by the amount of such disqualifying income.

D. To assure full tax credit to the employers of this State against the tax imposed by the Federal Unemployment Tax Act, the Director shall take any action as may be necessary in the administration of paragraph 3 of subsection A of this Section to insure that the application of its provisions conform to the requirements of such Federal Act as interpreted by the United States Secretary of Labor or other appropriate Federal agency.

(820 ILCS 405/1505) (from Ch. 48, par. 575)

Sec. 1505. Adjustment of state experience factor. The state experience factor shall be adjusted in accordance with the following provisions:

A. For calendar years prior to 1988, the state experience factor shall be adjusted in accordance with the provisions of this Act as amended and in effect on November 18, 2011.

B. (Blank).

C. For calendar year 1988 and each calendar year thereafter, for which the state experience factor is being determined.

1. For every \$50,000,000 (or fraction thereof) by which the adjusted trust fund balance falls below the target balance set forth in this subsection, the state experience factor for the succeeding year shall be increased one percent absolute.

For every \$50,000,000 (or fraction thereof) by which the adjusted trust fund balance exceeds the target balance set forth in this subsection, the state experience factor for the succeeding year shall be decreased by one percent absolute.

The target balance in each calendar year prior to 2003 is \$750,000,000. The target

balance in calendar year 2003 is \$920,000,000. The target balance in calendar year 2004 is \$960,000,000. The target balance in calendar year 2005 and each calendar year thereafter is \$1,000,000,000.

2. For the purposes of this subsection:

"Net trust fund balance" is the amount standing to the credit of this State's account in the unemployment trust fund as of June 30 of the calendar year immediately preceding the year for which a state experience factor is being determined.

"Adjusted trust fund balance" is the net trust fund balance minus the sum of the benefit reserves for fund building for July 1, 1987 through June 30 of the year prior to the year for which the state experience factor is being determined. The adjusted trust fund balance shall not be less than zero. If the preceding calculation results in a number which is less than zero, the amount by which it is less than zero shall reduce the sum of the benefit reserves for fund building for subsequent years.

For the purpose of determining the state experience factor for 1989 and for each calendar year thereafter, the following "benefit reserves for fund building" shall apply for each state experience factor calculation in which that 12 month period is applicable:

a. For the 12 month period ending on June 30, 1988, the "benefit reserve for fund building" shall be 8/104ths of the total benefits paid from January 1, 1988 through June 30, 1988.

b. For the 12 month period ending on June 30, 1989, the "benefit reserve for fund building" shall be the sum of:

i. 8/104ths of the total benefits paid from July 1, 1988 through December 31, 1988, plus

ii. 4/108ths of the total benefits paid from January 1, 1989 through June 30, 1989.

c. For the 12 month period ending on June 30, 1990, the "benefit reserve for fund building" shall be 4/108ths of the total benefits paid from July 1, 1989 through December 31, 1989.

d. For 1992 and for each calendar year thereafter, the "benefit reserve for fund building" for the 12 month period ending on June 30, 1991 and for each subsequent 12 month period shall be zero.

3. Notwithstanding the preceding provisions of this subsection, for calendar years 1988 through 2003, the state experience factor shall not be increased or decreased by more than 15 percent absolute.

D. Notwithstanding the provisions of subsection C, the adjusted state experience factor:

1. Shall be 111 percent for calendar year 1988;

2. Shall not be less than 75 percent nor greater than 135 percent for calendar years 1989 through 2003; and shall not be less than 75% nor greater than 150% for calendar year 2004 and each calendar year thereafter, not counting any increase pursuant to subsection D-1, D-2, or D-3;

3. Shall not be decreased by more than 5 percent absolute for any calendar year, beginning in calendar year 1989 and through calendar year 1992, by more than 6% absolute for calendar years 1993 through 1995, by more than 10% absolute for calendar years 1999 through 2003 and by more than 12% absolute for calendar year 2004 and each calendar year thereafter, from the adjusted state experience factor of the calendar year preceding the calendar year for which the adjusted state experience factor is being determined;

4. Shall not be increased by more than 15% absolute for calendar year 1993, by more than 14% absolute for calendar years 1994 and 1995, by more than 10% absolute for calendar years 1999 through 2003 and by more than 16% absolute for calendar year 2004 and each calendar year thereafter, from the adjusted state experience factor for the calendar year preceding the calendar year for which the adjusted state experience factor is being determined;

5. Shall be 100% for calendar years 1996, 1997, and 1998.

D-1. The adjusted state experience factor for each of calendar years 2013 through 2015 shall be increased by 5% absolute above the adjusted state experience factor as calculated without regard to this subsection. The adjusted state experience factor for each of calendar years 2016 through 2018 shall be increased by 6% absolute above the adjusted state experience factor as calculated without regard to this subsection. The increase in the adjusted state experience factor for calendar year 2018 pursuant to this subsection shall not be counted for purposes of applying paragraph 3 or 4 of subsection D to the calculation of the adjusted state experience factor for calendar year 2019.

~~D-2. (Blank). The adjusted state experience factor for calendar year 2016 shall be increased by 19% absolute above the adjusted state experience factor as calculated without regard to this subsection. The increase in the adjusted state experience factor for calendar year 2016 pursuant to this subsection shall not~~

be counted for purposes of applying paragraph 3 or 4 of subsection D to the calculation of the adjusted state experience factor for calendar year 2017.

D-3. The adjusted state experience factor for calendar year 2018 shall be increased by 19% absolute above the adjusted state experience factor as calculated without regard to this subsection. The increase in the adjusted state experience factor for calendar year 2018 pursuant to this subsection shall not be counted for purposes of applying paragraph 3 or 4 of subsection D to the calculation of the adjusted state experience factor for calendar year 2019.

E. The amount standing to the credit of this State's account in the unemployment trust fund as of June 30 shall be deemed to include as part thereof (a) any amount receivable on that date from any Federal governmental agency, or as a payment in lieu of contributions under the provisions of Sections 1403 and 1405 B and paragraph 2 of Section 302C, in reimbursement of benefits paid to individuals, and (b) amounts credited by the Secretary of the Treasury of the United States to this State's account in the unemployment trust fund pursuant to Section 903 of the Federal Social Security Act, as amended, including any such amounts which have been appropriated by the General Assembly in accordance with the provisions of Section 2100 B for expenses of administration, except any amounts which have been obligated on or before that date pursuant to such appropriation.
